Giclée print (inkjet)

## **Description**

This image of the Owens Thomas House offers an artistic perspective on the second-floor landing, including the unique indoor bridge that is a signature feature of the Home's architecture. A color photograph of blurred visitors captured as they walk across the second-floor landing by the stained-glass balcony doors as seen from across the bridge.

## **Dimensions**

Sheet: 16 × 20 inches (40.6 × 50.8 cm)
