

Basic Detail Report

Tablecloth

Date

Front: 1695-1710; Back: Late 18th Century

Primary Maker

Unknown

Medium

Front: silk and metallic thread; Back: silk

Description

A table cloth composed of front fabric consisting of a brocade and a damask made on a draw loom. The damask background was made with silk thread, and metallic thread was used for the brocade. The damask is overlapped by the brocade with flowers and leaf motifs. The background color is faded but was possibly a bright yellow or peach tone. [Description from a SCAD Fibers Student Report]

Dimensions

13 3/4 × 51 inches (34.9 × 129.5 cm)
