## Sampler

**Date**

1792

**Medium**

embroidery thread on textile

**Description**

An embroidered sampler composed of three registers. The top register depicts an equestrian figure riding to a castle surrounded by various animals and foliage. The second register shows a large manor house with a figure, a deer, a cat, and a tree on either side. Lastly, the bottom register is embroidered with equestrian figures, flower pots and a deer on a hill.

**Dimensions**

Sight: 12 × 18 5/8 inches (30.5 × 47.3 cm)
