Serving Tray

Date

c. 1850

Primary Maker

Unknown

Medium

silver-plate

Description

A silver-plated serving tray in an octagonal shape, footed, with a gadroon border, and the gadroons having centered patterns of foliage. The handles are rectangular with an expanded heart design opening. Engraved in the center a foliage pattern borders a shield with the initials "SM" overlapping in block letters.

Dimensions

29 7/8 × 18 inches (75.9 × 45.7 cm)
