### Description

Out on a pale turquoise-blue sea, which afar melts into a hazy sky of greenish-turquoise hue, are seen numerous white sail over black hulls, and their reflections in the water of a listless day. On a promontory in the foreground a blond woman in white, with a pink sash, is seated on a blue-gray rock, her dog beside her. She is looking out over

the scene and across the bay to the group of buildings occupying a point in the middle distance. Far away are green hills, and mountains obscured in a violet haze.
