

## Punch Bowl

**Date**

c. Mid-19th Century

**Primary Maker**

Unknown

**Medium**

Porcelain with overglaze polychrome enamel and gilding

**Description**

Round porcelain punch bowl with tall sides, painted on the interior and exterior with a band of large panels in multiple colors around the body and a smaller band with small panels in multiple colors around the rim. The large panels feature bouquets of flowers and birds or interior scenes with Asian figures. All are bordered with a series of green C-scrolls and flowers. The rim panels feature bouquets of flowers and are bordered with dark blue C-scrolls; bouquets of flowers and fruit occupy the register between the panels.

**Dimensions**

6 × 14 3/8 inches (15.2 × 36.5 cm)
