

Presentation Goblet

Date

1859

Medium

Silver

Description

Bulbous goblet with cup with slightly flared sides and round rim on pedestal base with medium stand and dome-shaped, round base. Plain rim with single engraved line around diameter. Sides of goblet feature chased and repousse ornament, including a scrolling, foliate cartouche containing an engraved dedication, flanked by bayonets and American flags and over cannons, trumpets, and a stack of cannonballs on one side, and birds, grapevines, and flowers on the other. Base features repousse and chased flowers and fruit.

Dimensions

6 5/8 × 3 1/8 inches (16.8 × 7.9 cm)
