### Description

A print of an oval containing various amorphous shapes in all colors including a large black form in the top right corner with a thin linear form within, and a light blue arc across the center of the image underscored by a yellow band that curves downwards and around to connect to a hand-like form. The hand-like form is composed of a thick red shape in the center of the print outlined in lime green with five red finger-like lines striped in thin green lines capped in yellow circles and in between the fingers at the base.
