Description

A half-length oil portrait of a seated woman facing the proper right in a black gown lined with lacy cuffs and stiff folded over collar. The woman's features include a black coiffure of curls framing her plump round face. She has brown eyes, rosy cheeks and nose on her pale skin, and pink structured lips. In the background is a stone column on the proper left, a red swath of fabric over the railing with a landscape beyond the branch of a tree.
