## Buzzard Island

**Date**  
by 2000

**Primary Maker**  
Augusta Denk Oelschig

**Medium**  
Oil on canvas board

### Description

A landscape of buzzards flying around the sand of a low tide marsh with dead grass along the banks giving way to green stalks. In the center is the remnant of an oak tree with birds perched on its branches. To the left is the trunk of a dead tree with a buzzard at the very top with a catch in its mouth.

### Dimensions

Framed: 12 × 16 inches (30.5 × 40.6 cm)
