

Basic Detail Report

Venetian Filigree

Date

1931

Primary Maker

John Taylor Arms Jr.

Medium

etching on paper

Description

An etching of a Venetian building heavily decorated with architectural elements varying with each floor. The building is mirrored by the glassy surface of the canal in

the foreground on which an empty gondola floats.

Dimensions

Plate: 10 3/4 × 10 3/4 inches (27.3 × 27.3 cm)
