**Description**

One of a set of 17 round porcelain dessert plates with flowers, fruits, and birds in their centers, colorful bands around the rims, and decorative gilt ornament. This plate features a brown bird with a blue head and red breast perched on a brown branch over a bouquet of pink primroses with green foliage, bluebells, long purple flowers, and tiny red flowers, with foliage in greens and browns. A yellow and brown moth flies over the bird's head. The band around the rim is light green.
