

Basic Detail Report

The Black Prince

Date

2006

Medium

Archival pigment print

Description

A group of young boys are in a grassy area with trees and a house in the background. One young boy on the right-hand side has fallen off his bicycle while another boy in

black stands look down at him holding his helmet in the crook of his arm. Two other young boys stand on the left-hand side of the composition with a bicycle between looking towards the fallen boy.
